A sexy singer and straight-laced lawyer prove opposites don't just attract, they ignite!

Eleven years ago, Riley Stone left Hope, Texas with a head full of dreams about taking the music world by storm, and a heart shattered by unrequited love. Since then, she's developed some common sense about those dreams and a sense of humor about her long-ago infatuation with Jackson Hope, the scion of the town's namesake family. Otherwise, she wouldn't be so happy to return to the tiny tourist town to sing blues in a nostalgia bar - that is, until she runs into Jackson and realizes that not so much has changed between them after all.

With Jackson's father wanting to tear down the town's beloved dance hall to build a SaversMart, Riley unites the local artists and shop owners to save the historic landmark. Soon, Jackson finds himself caught between his desire to do the financially responsible thing for the town and his unwelcome desire for the bane of his existence - Riley Stone.

Can they overcome all the old hurt, shocking scandals, and family secrets standing in the way to declare their love for each other, at last?
