Color Atlas of Orofacial Health and Disease in Children and Adolescents: Diagnosis and Management

Crispian Scully, Richard Welbury, Catherine Flaitz, Oslei Paes de Almeida

Like the successful first edition, this improved, updated and expanded second edition profiles the common orofacial disorders and a wide range of less common and some rare disorders. The focus is on the occurrence of these disorders in children and adolescents, and the author tailors the commentary to specific pediatric age groups. In the new edition, the text includes treatment recommendations for the most common oral diseases. Any health professional called upon to diagnose and treat children who have orofacial problems will benefit from the wealth of material offered here.
