Erica Logan:

As a pupil exactly feel bored in order to reading. If their teacher questioned them to go to the library or make summary for some guide, they are complained. Just little students that has reading's soul or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore , this
