Here is a comprehensive guide to publishing articles and research on the family in social science journals. This helpful book includes listings for over two hundred social science journals whose editors have expressed an interest in publishing empirical research and theoretical articles about the family. It presents in a single source, detailed publication information for a multitude of journals. Publishing in Journals on the Family saves much time and effort for professionals and academicians searching for the most appropriate journal in which to publish. This guide simplifies their search for publication outlets. The journal listings in this book are the most up-to-date available and include such pertinent information as major content areas, topics preferred, publication lag time, style requirements, where to submit manuscripts and how many to send, subscription rates, circulation information, and more. The book begins with an overview of academic publishing in general, including discussions of the “publish or perish” dilemma and the validity of peer review. A highly useful reference, Publishing in Journals on the Family is ideal for beginning and experienced therapists, social workers, researchers, teachers, and consultants, and graduate students in these areas.
