*Unspoken truths will be revealed--and they will change everything--in this dazzling final chapter of the Shadow Falls: After Dark trilogy!*

Della Tsang is facing the toughest fight of her life--and the most personal. In her new role as an elite paranormal investigator, she's assigned a twenty year old murder case...and the accused killer is none other than her own father.

Making matters worse, since she was reborn, she's been bound to the mysterious and infuriatingly gorgeous Chase Tallman--a vampire with his own hidden agenda. Della still feels betrayed by all the secrets he's kept from her, but she'll need his help to find out the truth about her father. But what about Steve, the hunky shape-shifter who she can't seem to forget?

The quest for answers will lead them into the darkest, ugliest supernatural gangs in town... and into the scariest reaches of their hearts.
