Debating the Reagan Presidency (Debating Twentieth-Century America)

John Ehrman, Michael W. Flamm

Debating the Reagan Presidency (Debating Twentieth-Century America) John Ehrman, Michael W. Flamm

The presidency of Ronald Reagan has become a Rorschach Test for politicians and citizens alike. While many conservatives see the Reagan era of the 1980s as the high-water mark for their movement and a time of national recovery from the difficulties of the 1970s, many liberals maintain that the rosy Reagan legacy is based largely on myth, and that in fact his eight years as president caused serious harm to the country. John Ehrman and Michael W. Flamm give due attention to the lasting controversies surrounding the Reagan record and provide a balanced view of the fortieth president's foreign and domestic policies. Students are encouraged to draw their own conclusions by reading key primary documents.
