## **My Name is Marnie** Tracy L Carbone

After the brutal, senseless murder of her husband, Marnie Clifford tries to pull the threads of her out-of-control life back together. She flees from her painful past and looks to start a new life in a small, ramshackle but affordable cottage in a remote idyllic New England town, in hopes of finishing out her pregnancy in peace. But something isn't quite right with her new home- not with the cottage itself and its vague familiarity; not with her new neighbor, a disheveled wild-eyed man with a limp and questionable motives; and certainly not with her unsettling visitor...a silent, restless, and very dead little girl. As the spectre's visits become more and more frequent, Marnie begins to unearth the horrible secret of the cottage. A secret better left buried deep...

“As enthralling a spectral mystery as anything written by Jennifer McMahon, with *My Name is Marnie* not only has Tracy Carbone risen to the top of my writers-to-watch list, she has also ensured I will never look at dolls or apples the same way again. This one quite literally had me double-checking the doors and windows before bed, and I’m still not quite recovered. A well-written and unsettling piece of work that gets my highest recommendation.”

- Kealan Patrick Burke, Bram Stoker Award-winning author of *The Turtle Boy*, *Kin*, and *Jack & Jill*.
