The team is hired to look into “canned hunting” being carried out on ranches in South Africa.

There, they are forced to watch as a very rich man kills a tame lion with an unconventional weapon and discover he has a big plan that could kill hundreds of innocent people.

Dana tries to get Secret Service involved, but the people in power are not willing to do what she asks.

It’s up to Dana—and Flame—to stop the bloodshed by themselves.
