Written by leading authorities on child psychology and divorce, this book is a valuable and much needed tool for parents and professionals who work with children struggling with family breakup. Relying on imagination and metaphor, the fifteen stories in this unique anthology provide a safe and effective way to help children understand and cope with their parents' separation and living apart. For generations, stories have been a foundation for teaching children. Through the Eyes of Children continues that tradition and allows children the chance to recover and heal from divorce.
