After the disastrous fallout on Halloween and the tragic events that followed in the Hazel Cove Cemetery, Alexandria is left picking up the pieces of her broken life. Peter is adjusting. James hates her. Grandma Claudia is gone. Emma is incoherent. Victor went rogue. And Gamma still wants her dead. If that wasn't enough to deal with, two burning questions are driving Alex insane. Who committed that horrible murder in Salem? And what really happened to Ethan? Alex has come to terms with her new life, but she's yet to truly understand the ramifications of being a pureblooded witch in the supernatural world. And now there is a new danger on the horizon. Alex must find a way to fight. To survive. To protect her remaining family members and her closest friends from an unthinkable new enemy. One much more powerful and much more horrifying than the Gamma witch hunting fraternity.
