Follow the Stars Home (Susie Breck, Dick Hill, Jill Sovis): Weeks before her daughter was born, Diane Robbins and her husband, Tim McIntosh, received the news that every parent fears. It was Tim's brother, Alan, the town pediatrician, who stood by Diane and her exceptional daughter. But one of the many hard choices Diane has made is to close her heart toward any man - especially one named McIntosh. Dream Country (Laural Merlington, Laura Grafton, Jill Sovis): Daisy and James Tucker's life together was close to paradise - until their three-year-old son Jake disappeared and was never found. Her marriage in tatters, Daisy returned home to Connecticut, taking with her from Wyoming two things: her daughter, Jake's twin, and her livelihood, the jewelry she etches with symbols of Indian legend. Thirteen years later, Sage has run away, and Daisy fears that Sage's thirst to see the land and father of her dreams is driving her westward. Summer Light (Laural Merlington, David Jones, Russell Byers): May Taylor is a gifted wedding planner and a devoted mother to her daughter, Kylie - a very special child. Kylie's unique visions will lead May to a love she never expected and a life she never imagined. Martin Cartier is a professional hockey player and sports legend. When he faces a threat to his career that his drive and strength cannot overcome, only Kylie sees the way home - and only May can lead him there.
