Eating to Excess: The Meaning of Gluttony and the Fat Body in the Ancient World (Praeger Series on the Ancient World) Susan E. Hill

This provocative book explores how ancient notions about the fat body and the glutton in western culture both challenge and confirm ideas about what it means to be overweight and gluttonous today.

- Contains various illustrations such as photographs of figures and statues from archeological sites and a depiction of a biblical scene of sacrifice
- Provides a bibliography of primary and secondary sources after each chapter
- Includes a comprehensive index of important topics
