## **Destiny Bay Romances~ The Ranchers**

Shawnee Carrington returns home to help save her grandfather's ranch and ends up falling for the man who's stealing it.

Carly Stevens searches for her past and finds only secrets and sexy Joe Carrington standing in her way.

Jessie Carrington plays bounty hunter and gets caught up in a wild dash toward vindication when dangerous Michael Drayton turns the tables on her.

Most of the **Destiny Bay Romances** are focused on the beach town, but just a few miles inland lies a valley—Destiny Valley—and the dusty little town of Destiny that forms the hub of cattle country, horse country, and the orchards. The Carringtons who live here are a different breed. They're hard working people, people who have a love for the land—and a passion for those who mean the most to them.

## **Book 1 Native Silver**

He wants her. She wants his ranch.

When Shawnee Carrington returns home to help her grandfather win his fight to keep his land, she goes up against David Santiago, a man she's hated and loved with equal passion for years. She's determined to beat him, and win the horse show his sister always dominates as well, with the help of Native Silver, her beloved horse. But her plans will only work if no one realizes Native Silver is blind.

A beautiful straying daughter of the land, a stunningly handsome descendant of the conquering conquistadores who loves her...his sister, recently divorced from a European royal, an aged grandfather losing his grip on reality, and a blind horse—all have a stake in the Californio Days equestrian competition. Who will win the hearts and minds they yearn for—and who will win the trophy itself?

## **Book 2 Destiny Ranch**

She desperately needs to find her father. He needs to make sure she can't.

Carly Stevens needs to fill in her past so that she can face her future. She takes a job caring for Joe Carrington's children, only to find that she's stepped into the middle of her own mystery--and into a struggle with an irresistible rancher whose own heartbreak has destroyed his trust in love.

## **Book 3--Sweet Desperado**

She's hanging on for the reward money—but can she last that long? Jessie Carrington is a rancher and that's all she's ever wanted to be, but when she gets a chance to play bounty hunter, she takes it. She needs the money badly. But once she id's the fugitive, he turns the tables and now she's the captive and on an emotional roller coaster ride as she falls for him, ruining all her plans.
