Attachment Theory According to John Bowlby and Mary Ainsworth Andreas Krumwiede
Seminar paper from the year 2001 in the subject Psychology - Developmental Psychology, grade: 1,7,
University of the Arts Berlin, language: English, abstract: I will first provide a brief historical outline of the
origin and development of attachment theory, closely linked to the biographical data of its founder John
Bowlby. Later I would like to point out some characteristics based on which the attachment of a person can
be classified. I believe this information to be important with regard to teaching, since the teacher is acting in
the environment between the institution of school, family and child. I would like to include some of the
approaches in which this knowledge could be used in an everyday school setting.
