Do soulmates really exist? If two people were meant for each other, can time and space keep them apart or are they destined to meet again somehow? To fall in love and spend the rest of their lives together against all odds?

It's been 10 years since Lisa got her heart broken by her first love, Jason, on the eve of his 18th birthday. The separation was quick and abrupt. And despite the passage of years, she never really got over it... Why did he have to leave so suddenly? Why did she never receive any explanation?

When Lisa falls asleep one night and sees Jason in her dreams, she has no idea that her life is about to take a dramatic turn. She's about to get thrown in a fantastic world where people are half-beast, half-men, and where Jason has become an entirely different person. He's now wealthy beyond belief... but he also holds a dark secret that could very well consume them both.

Will Lisa fall for him again? Will she risk hearing what he has to say when there's a chance he could be playing her?

Consider yourself warned: hot sexy scenes between an alpha male and his bbw, and strong language are all part of this thrilling, standalone tiger billionaire shifter of a romance. Only for the most demanding of ladies.
