Two Covenants: Representations of Southern Jewishness (Southern Literary Studies) Eliza McGraw

Jews have long occupied visible roles in the South. Jewish families have owned establishments ranging from dry-goods stores to Thomas Jefferson's Monticello, and some of the region's most important writers and scholars have been Jewish. Yet surveys of southern culture rarely assess the contributions of Jews, while histories of Jews in America virtually exclude those living in the South. Eliza R. L. McGraw's multifaceted study fills both gaps and in doing so expands how we define the South.

In *Two Covenants*, McGraw mines eclectic representations of Southern Jewishness as varied as the Carolina Israelite newspaper, the Mardi Gras Krewe du Jieus, southern Baptist conversion--instruction pamphlets, and the film *Driving Miss Daisy*. She also considers literary representations of southern Jews in the works of both Jewish and non-Jewish writers, including Thomas Wolfe, Robert Penn Warren, Walker Percy, Lillian Hellman, David Cohn, Louis Rubin, Jr., Eli Evans, James Weldon Johnson, Jean Toomer, and Charles Chesnutt.

While concerned with established concepts such as ethnicity and region, McGraw raises many questions that illustrate the complexity of southern Jewishness. Can one individual straddle two identities? How do race, class, and gender influence southern Jewishness? What are the differences between southern Jews and other southerners, or between southern Jews and other Jews? Does anti-Semitism manifest itself differently or with unique effects in the South?

In suggesting answers to these and other questions, McGraw ranges widely over the southern cultural landscape and reveals that although southern Jewishness remains a marginal identity due to the small size of its constituency it nevertheless inhabits and helps to form the South at large. The very presence and vitality of southern Jewishness demonstrate that southern identity, like national identity, is a fluid cultural experience.
