Collars and Cuffs: Book Four

Recently returned to the UK after living in the States since he was eleven, Andrew Barrett is determined to keep busy and make a new life for himself. He works full time as a copywriter and strips at a club on Canal Street on weekends. But it still leaves him too much time to think. Then he finds the BDSM club, Collars & Cuffs, where at twenty-nine, he is their youngest Dom. Young doesn't mean inexperienced, however. All this activity keeps him focused with no time to dwell on the past. But the past has a way of intruding on the present.

It's been four long years since Gareth Michaels last set foot inside Collars & Cuffs. But when he finally summons his courage and steps back into his former world, he finds the man who drove him away is still a member, and what's more, he wants Gareth back. Two men in pain need the freedom they find in each other, but it takes another man's horrific plans to make them see it.
