## **Herbs... Fresh, Organic and Home Grown! Can You Already Taste Them?**

Let me teach you the art of tackling the daunting feat of growing your own herbs!

I'm sure you enjoy the amazing taste of mint or the refreshing scent of rosemary in your lamb dish. You may also enjoy the sweet smell of dill or the amazing benefits of sweet marjoram as a tonic. While you may have heard about all the amazing benefits of herbs, do you know how to grow them?

### **How Many of us Buy Our Herbs at the Store... and What's the Risk?**

Over 50% of Americans buy their herbs at the grocery store and end up missing out on the amazing benefits of having your own herbs in your garden. Furthermore, did you know that most herbs available at the local grocery store are full of pesticides and insecticides? Even though you might be lucky enough to get organic herbs, you're probably also aware of how expensive they can be! Why go through all the trouble of buying herbs at the grocery store while you could have your own herb garden?

### **Overwhelmed and don't know how to start growing organic herbs?**

Perfect! This book will show you how.

This book is especially written for you as it contains important insight about growing herbs. You will learn how to prepare your soil for planting different herbs as well as how to properly choose potted plants to ensure that you have the best plants to get started on your herb garden. This book also provides important information that you need to know if you decide to plant your herbs indoors.

### **Maximize Your Herb Garden!**

You'll also learn how best to take care of the different herbs in order to yield maximum benefits from growing herbs. By the time you have finished reading this book, you will be ready to have a garden full of herbs!

## Here Is A Preview Of What You Can Expect To Learn:
