Knight and Don: The Gift of Dreams Christina J Easley

This is a coming of age story about how a young boy became a man! The boy's name was Don! His blind twin brother Knight made the journey to adulthood. Together, they came hardened and aroused on the stiff straight path of flesh and fire, fear and faith! This is a tale of the sexual exploits of unruly fallen angels. They came down and had sex with the women of earth to breed a race of giants. They were called Anakim, Nephilim, and Zamzummim. These giants were an evil blood drinking angel breed that would destroy the world! The sexual exploits of the angels and the twin boys coming of age is more vividly depicted in the uncensored edition of the book on Kindle. You can get the Kindle edition for free when you buy the paperback! Journey with twin brothers Knight and Don as they fight off attacks from mysterious blood drinker angels, believed to be fallen angels. Knight and Don use strange powers to fight evil (perhaps they have psychic gifts)! Just like the knights from King Arthur's Round Table, Knight and Don will search for the Holy Grail and the Cup of Fury. Similar to 1,001 Arabian Nights, Knight and Don tell tall tales and seek ancient relics like Aladdin's lamp. The ancient scroll that you are reading right now is a book of dreams and is believed by some to make dreams come true and grant wishes both terrible and terrific. Begin an exciting journey to the land of the ancients through a portal in time!! Discover the spiritual links to the supernatural, the paranormal, ghosts, angels, spirit gifts, prophecy, and more. This gift of dreams contains the present, the past, and perhaps the days to come. The twin boys become knights and are ensconced in a daze of dreams, fable and fantasy! They witness the mysterious events of ghosts, specters, spirits, and drifting shadows on "The Day of Dead" and "All Saints Day." This is a journey through the depths of the soul and the mind where the lie and the truth unwind. On a dark and stormy night, Miles and Don discover an ancient journal in a hidden room and are instantly transported to distant realms thousands of years into the past. This journal records significant events in history both terrible and true. Do the twin boys have the ability (a gift) to predict terrible events to come using this journal? Do holy spirits, angels and ghosts touch the lives of those in the present? Do our dreams allow a glimpse into the past or the future?
