Part one of a two part series.

There are three things Lily Evans immediately notices about her new neighbor, Jay Lincoln. The first is his monstrous size, the second is the malicious way he glares at her, and thirdly, but most importantly, the three scars that mark his right eye. She knows the smart thing to do is stay away, but she has never met or seen anyone like him. The more time she spends with this frightening yet captivating man, the harder it becomes. He can make her hairs stand on end but he also has a sweetness to him that tugs at her heart. Soon she finds herself merged into his world full of murder, revenge, and deceit.
