Rosa Parks: Mother of the Civil Rights Movement (Rookie Biographies (Paperback)) Wil Mara

Rosa Parks was born in the South at a time when African Americans were treated like second-class citizens. By refusing to accept the status quo, Parks sparked the Montgomery Bus Boycott and went on to become known as the Mother of the Civil Rights Movement. The well-organized chapters help students identify key details while the photographs, timelines and other text features encourage students to make connections between historical events and enable students to better understand the text.
