Terminal Connection Dan Needles

What if a terrorist were a computer virus, its weapon a defect, and its target the U.S. military?

Welcome to the present, where the lines are blurred between terrorists and governments, virtual worlds and reality. In a war of information, everyone is on the frontline.

Steve Donovan, founder of NEXUS Corp, has developed a virtual technology that could help his daughter walk again. Riddled with guilt over the accident that crippled Brooke, Donovan buries himself in developing the Nexus. But when a young girl dies using the Nexus, CEO Austin Wheeler decides lawsuits are cheaper than a recall.

On Tianya Haijiao, China's southernmost beaches of Hainan Island, a killer waits for all who pass into virtual reality.

Exploiting a defect that triggers fatal seizures, a hacker introduces a deadly virus—a virtual serial killer. Torn between his conscious and his invention, and distracted by a sexy federal investigator and a bottle of scotch, Donovan chases the killer through uncharted virtual worlds, where nothing is as it seems. He discovers a conspiracy that threatens U.S. security and Brooke's life. As two superpowers face off in global confrontation, Donovan realizes that in order to stop the killer, he must break the **TERMINAL CONNECTION**.

From reader reviews:

Malcolm Lee:

Do you have favorite book? In case you have, what is your favorite's book? E-book is very important thing for us to understand everything in the world. Each e-book has different aim as well as goal; it means that e-book has different type. Some people feel enjoy to spend their the perfect time to read a book. They can be reading whatever they acquire because their hobby will be reading a book. Why not the person who don't like reading through a book? Sometime, person feel need book after they found difficult problem as well as exercise. Well, probably you will need this Terminal Connection.

Eric Bittinger:

The reason? Because this Terminal Connection is an unordinary book that the inside of the guide waiting for you to snap it but latter it will surprise you with the secret the idea inside. Reading this book next to it was fantastic author who also write the book in such wonderful way makes the content inside easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking means. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Marcia Marshall:

Are you kind of busy person, only have 10 or perhaps 15 minute in your day time to upgrading your mind expertise or thinking skill even analytical thinking? Then you are having problem with the book than can satisfy your short period of time to read it because this all time you only find guide that need more time to be learn. Terminal Connection can be your answer given it can be read by you actually who have those short spare time problems.

Keith Reese:

As a scholar exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this Terminal Connection can make you really feel more interested to read.
