Present day America is evolving into something unrecognizable to the way the country was even 20 years ago. America's political leaders are so paralyzed with conviction and incompetence they surrender the future to fate. The consequences of inaction transform the nation with mysterious power; the metamorphosis is unstoppable. This book is not an indictment on Americans; it is an observation of world events, which in the author's opinion prove with great certainty the soon coming of Jesus Christ. Prophet Daniel identifies the final great gentile nation as the Fourth Kingdom. If we are living in the last days, this kingdom is upon us; one condition cannot exist without the other. The Fourth Kingdom is a nation whose political environment and military strength provides the means for a coming genius to rule the world. For any country (now or in the future) to name itself the Fourth Kingdom is unlikely; therefore, Bible students, living in the end times, are required to identify its political name. Prophets Jeremiah, Daniel, and John describe with startling details, the kingdom's character, strengths, and sins. Readers of America Is In Prophecy- consider what those prophets had to say.
