Exchange and Power in Social Life

Peter M. Blau

Exchange and Power in Social Life Peter M. Blau

In his landmark study of exchange and power in social life, Peter M. Blau contributes to an understanding of social structure by analyzing the social processes that govern the relations between individuals and groups. The basic question that Blau considers is: How does social life become organized into increasingly complex structures of associations among humans.

This analysis, first published in 1964, represents a pioneering contribution to the sociological literature. Blau uses concepts of exchange, reciprocity, imbalance, and power to examine social life and to derive the more complex processes in social structure from the simpler ones. The principles of reciprocity and imbalance are used to derive such processes as power, changes in group structure; and the two major forces that govern the dynamics of complex social structures: the legitimization of organizing authority of increasing scope and the emergence of oppositions along different lines producing conflict and change.

From reader reviews:

Lavinia Arthur:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to understand everything in the world. Each e-book has different aim or maybe goal; it means that publication has different type. Some people really feel enjoy to spend their time for you to read a book. They are really reading whatever they take because their hobby is usually reading a book. What about the person who don't like examining a book? Sometime, particular person feel need book if they found difficult problem or even exercise. Well, probably you should have this Exchange and Power in Social Life.

Kara Corbett:

Information is provisions for people to get better life, information today can get by anyone on everywhere. The information can be a know-how or any news even an issue. What people must be consider if those information which is in the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one typically the resource are convinced. If you receive the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All those possibilities will not happen with you if you take Exchange and Power in Social Life as your daily resource information.

Nathan Wilson:

Reading can called brain hangout, why? Because while you are reading a book especially book entitled Exchange and Power in Social Life your mind will drift away trough every dimension, wandering in each aspect that maybe unfamiliar for but surely can become your mind friends. Imaging each and every word written in a reserve then become one web form conclusion and explanation this maybe you never get just before. The Exchange and Power in Social Life giving you an additional experience more than blown away your brain but also giving you useful data for your better life in this era. So now let us explain to you the relaxing pattern here is your body and mind is going to be pleased when you are finished studying it, like winning an activity. Do you want to try this extraordinary investing spare time activity?

Mary Lewis:

This Exchange and Power in Social Life is great guide for you because the content which can be full of information for you who also always deal with world and still have to make decision every minute. That book reveal it info accurately using great plan word or we can declare no rambling sentences included. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but tough core information with wonderful delivering sentences. Having Exchange and Power in Social Life in your hand like getting the world in your arm, details in it is not ridiculous a single. We can say that no publication that offer you world within ten or fifteen second right but this book already do that. So , this really is good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?
