Welcome, dear reader, to the world of Hetar. A land of Forest Lords, of Shadow Princes and Coastal Kings. A place that is both civilized and savage. Where the social classes know their place, but where anyone can, under the right conditions, advance to the highest pinnacle. This is a place where pleasure is not censured but encouraged; where the ends are justified by the means. And yet all is not as perfect as it may seem. The orderly, elegant veneer of refined Hetar cannot prevent the rebellion brewing in the Outlands, a dangerous place of both magic and mystery.

From the City that is the very center of Hetar, Lara, the beautiful half-faerie daughter of John Swiftsword, ventures forth on a journey that will take her into the heart of darkness and the depths of desire, as she learns the true meaning of love that will last an eternity -- a love that will change the destiny of Hetar forever.

Creating Hetar and its many characters has been a great challenge for me, but a wonderful and creative endeavor. I hope you will enjoy Lara's tale.
