Book Two: Bushcraft Survival 101: Survival Skills, Strategies, Tactics, and Tips to Help You Make it Through the Wilderness

Living in the bushcraft is a fun way that you are going to be able to learn how well your survival skills are going to work and if you would be able to survive in the wilderness. Known in the United Kingdom because of some really popular survival shows and getting its name from the bush area in Australia, bushcraft survival is a great way to see how strong you are and if you are going to be able to make it out in the wild. This guidebook is going to spend some time talking about the things that you need to know in order to make your survival possible.

In this guidebook, you will learn a lot of things about bushcraft survival.

Some of these things include:

- What bushcraft survival is and why so many people seem to like the idea
- Some of the skills that you should learn to have the most success when it comes to this survival
- The tools you should bring along to get the best results with survival
- 7 things to know about bushcraft survival before going out.

This is a great way to become one with nature and learn all of the things you need to know to have fun with surviving. Use this guidebook to get started with the newest adventure of your life.
