Russia's Steppe Frontier: The Making of a Colonial Empire, 1500-1800

Michael Khodarkovsky

Russia's Steppe Frontier: The Making of a Colonial Empire, 1500-1800 Michael Khodarkovsky

"Khodarkovsky provides a detailed chronological narrative of Russia's steppe relations, which conveys brilliantly the depth of Moscow's engagement in the world of steppe politics.... This is counterbalanced by insightful thematic discussion of the perennial issues involved.... Altogether, an excellent study of a vital dimension of Russia's historical evolution." ?Slavonic and East European Review

"... the first connected account of Moscow's assertion of military and political control over its steppe frontier. The book's scope is impressive, as it traces the transformation of a turbulent steppe frontier into an imperial borderland.... a signal contribution to our understanding of European history." ?American Historical Review

Drawing on sources and archival materials in Russian and Turkic languages, Russia's Steppe Frontier presents a complex picture of the encounter between indigenous peoples and the Russians. An original and invaluable resource for understanding Russia's imperial experience.
