The Apocalypse Survivors: The Undead World Novel 2 (Volume 2) Peter Meredith

The #1 top-rated horror novel on Amazon: *The Apocalypse Survivors!*

This is not an uplifting tale of heroes and heroines. Get that out of your head now. It's a tale of survival. It's a tale of dried blood beneath your nails, of new pain, of gnawing hunger and unrelenting loneliness, of fear and hatred, and yes, of courage.

In The Apocalypse, the great majority of the men and women who fought with honor, with a sense of duty and loyalty, gave their lives for others, leaving those without honor to flourish and rule. Their rule is not marked by decency or civility, but by wicked brutality.

Yet, in some very rare cases, the kind and the noble survived. These hardened survivors learned to live among the undead, but now they must learn how to stay alive among creatures that are far more monstrous: their fellow man.

What The Readers Say About Survivors:

"The story is vividly written with a sharp tone, a vibrant storytelling writing style and a clear aim to draw out emotion and reactions from the reader."

"Survivors is haunting, poignant, terrifying and truly engaging."

"It was even better than the first. Lots of action, zombies and mayhem but also had some very sad parts too."
