## **Anything Is Possible With God's Help** Richard Duane Pfeifer

A story of my life as an alcoholic and later as a sober man. I was raised a Catholic and attended Catholic schools for 12 years. Throughout my life, I had many life and death experiences. During these periods I met many different people of several different faiths from around the world. Through all of this, it gave me a very strong understanding as to whom I knew as my God and the faith and spirituality that I have today. The one thing that I have been aware of is that God has been with me, and protected me through every step of my life, even if I did not ask for his help. This was made most apparent when I had my brain tumor removed. During my surgeries I had two near death experiences, and once again God was there to protect me.
