Good Faith in European Contract Law (The Common Core of European Private Law)

Good Faith in European Contract Law (The Common Core of European Private Law)

This book starts by surveying the use or neglect of good faith in European contract law and traces its historical origins. Its central part takes thirty hypothetical situations that have attracted the application of good faith and analyzes them according to fifteen national legal systems. It concludes by explaining how European lawyers, whether from a civil or common law background, need to come to terms with the principle of good faith.
