Commander X.

Strange and Unexplainable Deaths at the Hands of the Secret Government Commander X.

DEAD MEN TELL NO TALES! Here are accounts of the "deadly deeds" committed by the blood soaked hands of those with whom we are supposed to place our loyalty, trust and utmost faith. **HERE ARE THE DEADLY MURDER SCHEMES OF THE CIA, NEW WORLD ORDER AND OTHER MEMBERS OF THE EVIL EMPIRE!** Death Squads are active in U.S.A. today! Details here...many for the first time...are the strange deaths and murders of: * Political figures (numerous Congressmen and Senators). * Scientists (several astronomers and microbiologists). * Investigative journalists and important researchers of all types. **HERE IS THE EVIDENCE** that their deaths were made to appear as accidents and even natural causes when, in fact, they died at the hands of professional assassins so secret that even the highest ranking officials in the military and government don't know of their existence. Death and murder has become the way of doing things in political circles. The methods vary but the outcome always remains the same. For those who stand in the way or threaten to expose the truth, the consequences are not pleasant. Even more alarming is the fact that a number of military, government, intelligence and even religious groups worldwide use assassins to do their dirty work to eliminate anyone considered a threat to their interests. Our freedoms and the safety of our loved ones are threatened by those evil groups who seek ultimate control.
