The Way of Mystery: Magick, Mysticism & Self-Transcendence Nema

A travel guide to the inner realm of spirit.

It is the flipside of magick: personal spiritual development, also known as mysticism or mystery. Respected occultist Nema explores our human desire and need for transcendence and how to go about achieving it.

The Way of Mystery guides you to the inner realms, providing information on landmarks, pitfalls, and ways of navigating them. It's a practical and pragmatic manual for pursuing metaphysical truth, based in both Eastern (chakra) and Western (Qabalistic) teachings. When you've experienced high levels of spirituality, it guides you by explaining what to do next. It ends with two versions of the short book of mystical revelation for which Nema is famous in magical circles.

Selling Features

- A guide to solitary contemplative spirituality, using the techniques of magick to complement the way of the mystic
- Written by one of the most important occultists in the world today, whose writings have influenced many top occultists and writers
- A nondenominational guide to transcendence without the need for a personal guru/teacher•Reveals the nature of the soul through self-experience, and presents drugless methods of altering consciousness
