Autumn – An Introduction. For many of us Autumn, or as the Americans would say; Fall is the season of mixed emotions. Summer's long days are replaced by a chill in the air. The colours on the trees and fields ripen to warmer hues and the harvest is brought safely home. Yet with this bounty there is the knowledge that Nature is turning her attention to the harder, colder Winter month's ahead. Our collection of poems amplifies this balance between the loss of summer and the gain of the harvest with wonderful poems by such notables as Shelley, Yeats, Keats, Sheehan, Emily Dickinson and Longfellow. We hope you've enjoyed this collection which is one of four in the Seasons collection. All of our other poetry, stories and other audiobooks are available at Amazon, iTunes and other digital stores.
