## **God Bless You** Elmer L. Towns

Every Christian would like the Church to have a much stronger and more positive impact. Elmer L. Towns says the best way to make that happen is to repeat three little words--God bless you--to help others fulfill God's plan for their lives. It's true isn't it? When we focus on blessing others, we are, in turn, blessed by God. Now suppose we all resolve to bless others instead of curse them. The positive possibilities are limitless-and the impact can be life changing for all concerned! Towns spells out what it really means to bless somebody and how easy it is to add value to another's life. He shows you the difference between natural and spiritual blessings-and gives you several ways to bless others that will surprise you. It only takes two seconds to tell someone "God bless you." Yet, in that time, you share a uniquely caring, compassionate and uplifting message-and are abundantly blessed in return!
