HATTER is currently unavailable while the author works with a publisher to produce an updated version. For more information, visit the author's website at [www.dcolemanbooks.com](http://www.dcolemanbooks.com). There's nothing wrong with a touch of madness. – Cheshire Cat Someday Hatta will save the kingdom. In his mind, at least. But his talents of uncharacteristic kindness and a passion for colors hardly qualify him for such a destiny. In a kingdom that doesn't need saving, a young man ignorant of social norms is the unlikeliest of heroes. On the other end of the spectrum is Chism, a young Elite soldier who thrives on conflict. How will this rash, obsessive soldier aid the childlike Hatta in his journey? Along the way, the Cheshire Cat, Queen of Hearts, White Queen, and other familiar characters emerge to fill their eminent roles as well. Witness literature's most lovable lunatic's tangled ascent into madness.
