Beatrice Blakely:

As a pupil exactly feel bored in order to reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the professor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country.
