**Teaching ICT (Developing as a Reflective Secondary Teacher)** Carl Simmons, Claire Hawkins  
Reflective practice is at the heart of effective teaching, and this book helps you develop into a reflective teacher of ICT. Everything you need is here: guidance on developing your analysis and self-evaluation skills and examples of how experienced teachers deliver successful lessons. The book shows you how to plan lessons, how to make good use of resources, and how to assess pupils' progress effectively. Each chapter contains points for reflection, which encourage you to break off from your reading and think about the challenging questions that you face as a new teacher. The book comes with access to a companion website at [www.sagepub.co.uk/secondary](http://www.sagepub.co.uk/secondary).
