The Fort Aric Davis

During the waning summer days of 1987, a deranged Vietnam vet stalks Grand Rapids, Michigan, abducting and murdering nameless victims from the streets, leaving no leads for police. That is, until he picks up sixteen-year-old Molly. From their treehouse fort in the woods, three neighborhood boys spy the killer holding a gun to Molly's back, they go to the police—only to have their story disregarded. But the boys know evil lives in their midst. A growing sense of honor and urgency forces the boys to take action—to find Molly, to protect themselves, to stand guard for the last long days of summer.

At turns heartbreaking and breathtakingly thrilling, *The Fort* perfectly renders a coming-of-age story in the 1980s, in those final days of childhood independence, discovery, and paradise lost.
