Dragons on the Sea of Night (The Sunset Warrior Cycle Book 5) Eric Van Lustbader

In the continuation of the epic Sunset Warrior fantasy series, a man-god rises once more to confront a fearsome and unstoppable evil in a savage world where nothing is as it seems

Once he was but a man named Ronin. Trained as a swordsman, endowed with breathtaking skill, he was not destined merely to live and then die in a doomed city beneath a frozen world. Many years have passed since he first ventured into the void. Now he possesses powers beyond all imagining—godlike abilities both marvelous and terrible. Now he is revered and feared as savior and avenger, the tamer of monstrous beasts, the destroyer of the dark angel of Chaos—and dearly loved by his devoted bond-brother, Moichi Annai-Nin, and the beautiful, enigmatic, and lethal Chiisai. Now he is Dai-San, the Sunset Warrior. Gone are the days of fire, ice, and necromancy, and yet there are grave perils in this world of illusion—and enemies, once defeated, who seek a way back to this plane, driven by an insatiable need for vengeance. For Chaos must again have its day, and no power in the universe can prevent its terrible reemergence—not even the might of the Sunset Warrior.

In the fifth novel of the Sunset Warrior Cycle—an ingenious blending of fantasy, technology, spirit, and swordplay—bestselling author Eric Van Lustbader brings back to life some of the most beloved characters in fantastic literature in a story of danger, loyalty, fate, and friendship. The legend of the Dai-San grows ever stronger as the action-packed epic tale continues.
