John Negron:

As a scholar exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country.
