Sins of the Press: The Untold Story of The Boston Globe's Reporting on Sex Abuse in the Catholic Church David F. Pierre Jr

This is the book that the *Boston Globe* does not want you to read.

SINS OF THE PRESS blows the lid off the *Boston Globe's* 2002 Pulitzer Prize-winning reporting about sex abuse and the Catholic Church.

While the *Globe* would want you believe that its paper's reporting was a carefully impartial chronicle of abuse and cover-ups by Church officials, this fast-paced, eye-opening, and meticulously researched book uncovers something entirely different.

Using actual images of headlines, photos, and editorial cartoons from the *Globe* archives, *Sins of the Press* exposes:

- * How the *Globe's* reporting was only the culmination of a relentless, decades-long campaign against the Catholic Church for ideological reasons;
- * How the *Globe* flagrantly misled its readers about the Church's response to abuse complaints;
- * How the *Globe* has dismissed abuse and cover-ups in other institutions;
- * How the *Globe* has routinely celebrated child molesters in its pages over the years;
- * How the *Globe* frequently promoted an author who supported incest between fathers and daughters;
- * How the *Globe* was flat-out erroneous in its reporting;
- * How the *Globe* facilitated the foundation of the notorious gay pedophile group NAMBLA;
- * The truth about Cardinal Law and his response to cases of abusive priests;

and *much* more.

SINS OF THE PRESS will **obliterate** everything you thought about the *Boston Globe* and its reporting about Catholic sex abuse.

[NOTICE: This book contains adult subject matter.]
