### Love so fierce it transcends even death.

When Elinor Baxtor arrives at the dilapidated Marshall House to settle the estate of her law firm's oldest client, she can't help but feel a little spooked. The creaking gothic mansion is a far cry from her life as an adventurous party girl back in London.

Then she meets Eric Marshall, a man dressed entirely in black with a wicked smile and the ability to float through walls. Eric was the violinist in popular rock band Ghost Symphony until a hit-and-run accident claimed his life. Now he's trapped inside his mother's house for all eternity, and the only one who can see or hear him is Elinor.

Eric and Elinor fight their attraction for each other as they dig into the mystery of Eric's death. But when they uncover a dark and sinister plot that threatens Elinor's life, their bond draws them into a world neither of them understands. Can their love transcend the boundary between life and death?

*The Man in Black* is a steamy gothic romance set in the English village of Crookshollow. It's a standalone novel of love, redemption, and second chances. If you love clever BBW heroines, crumbling gothic mansions, and brooding rockstars who know what they want, then this book will have you shivering all over.

**For a limited time, *The Man in Black* comes with a free novel – enjoy the first book in Steffanie Holmes' Crookshollow Foxes series, *The Art of Cunning*. A sassy heroine, a sexy fox-shifter, and a centuries old battle being played out at the Crookshollow Art Gallery – this book will have you howling for more.**
