El profeta (Clasicos de la literatura series) (Spanish Edition)

Kahlil Gibran

El profeta (Clasicos de la literatura series) (Spanish Edition) Kahlil Gibran

Finding inspiration in both the old eastern practices and the simplicity of everyday life, this guide explores accepted philosophical conventions, including projecting the prophet's vital experiences onto another person, such as Nietzsche did with Zarathustra and Plato with Socrates. The opening metaphor also explores a well-known tale—that of the man who, at the time of his death, decides to return to the place that he saw at birth, passing on he communicates his teachings and instructions before he leaves.

Encontrando su inspiración tanto en antiguas fuentes orientales como en la simplicidad de lo cotidiano, esta guía explora reconocidas convenciones filosóficas, incluyendo la proyección de las experiencias vitales del profeta a otra persona, tal como lo han hecho Nietzsche con Zarathustra o Platón con Sócrates. La metáfora principal también explora un cuento familiar—la del hombre que, a la hora de su muerte, decide regresar al sitio que lo vio nacer, comunicando sus enseñanzas y consignas antes de ir.
