It will be necessary, for several reasons, to give this short sketch the form rather of a critical essay than of a biography. The data for a life of Nathaniel Hawthorne are the reverse of copious, and even if they were abundant they would serve but in a limited measure the purpose of the biographer. Hawthorne's career was probably as tranquil and uneventful a one as ever fell to the lot of a man of letters; it was almost strikingly deficient in incident, in what may be called the dramatic quality. Few men of equal genius and of equal eminence can have led on the whole a simpler life.
