The Book of the Prophet Jeremiah, Chapters 1-25 (Cambridge Bible Commentaries on the Old Testament) Ernest W. Nicholson

Dr Nicholson's commentary on Jeremiah will occupy two volumes. The first deals with chapters 1-25 and also contains an introduction. This introduction surveys the historical background to the life and prophetic ministry of the prophet during the last decades of the kingdom of Judah. In a further section the composition of the book is discussed and this is followed by an outline of its dominant religious ideas. The main body of the volume, in the style now established for this series, gives the text, divided into brief sections, and alternating with sections of commentary. The results of recent Old Testament scholarship and modern theological thought are conveyed to the student and the layman in simple language. Chapters 26 onwards will be covered in a second volume.
