The Seduction Game Emma Shortt

In the game of love, the rules are meant to be broken...

When millionaire bad boy Will Thornton tries to buy computer-geek Kate Kelly's building out from under her, she refuses to sell. Will might be uber rich, but she won't be bullied. Trouble is, she doesn't expect Will to look like one of her fantasy heroes, or to make her heart beat way too fast. Fine. She can control herself long enough to wait him out. Hopefully.

There may be millions of dollars on the line, but Will is confident he can make Kate sell. 'Charming' is his middle name, and he plays the game better than anybody. Problem is, the snarky little computer-wiz is nothing like he imagined. She's impossibly cute...and a match for him in *every* way.

It's game on. But in a seductive battle of the sexes, only one can come out on top...
