## Adele: The Biography Marc Shapiro

Over the past year, Adele has taken the country by storm, sweeping the 2012 Grammy Awards and taking home six titles, including one for *Album of the Year*. The British singer-songwriter has been smashing records ever since her 2008 appearance on *Saturday Night Live* and her 2009 Grammy for *Best New Artist*. The success of her second album, *21*, made her the first living artist since the Beatles to have two top-five hits in both the UK singles and albums charts. The album hit the #1 spot in 18 different countries. In the U.S., *21* is the longest running number one album by a female in Billboard history, surpassing Whitney Houston's *The Bodyguard*. To put it simply, her worldwide success is unmatched.

This one-of-a-kind book will provide answers to fans' burning questions, including:

?What was Adele's childhood like as the daughter of a single, teenage mother?

?Growing up, who were her biggest inspirations and influences in the music industry?

?As someone whose career depends on her voice, what was it like being diagnosed with a vocal cord hemorrhage?

?How did canceling her *Adele Live* tour affect her career?

?How did she make the decision to perform at the Grammys, while still recovering from vocal surgery?

?And much more!

A must-read for every Adele fan.
