CHRIS FORD LAID BARE THE SONG LYRIC COLLECTION: 30 COMPLETE SONG LYRICS PLUS 3 FREE ALBUM DOWNLOAD LINKS INSIDE THIS BOOK

In this book I wanted to set out the lyrics to the songs more like a collection of poetry rather than a traditional song book. I have set the lyrics out sequentially across three albums. Each lyric follows the running order of its requisite album. The songs are from the albums, This Atlantic Low, All Caught Up and The Warp Glass. I have also included a link in each section in order for you to download each album for free so that you can listen to the music. The Warp Glass is as yet unreleased and is exclusively available only with this book.

Over the last year or so I have been asked by friends, people at gigs and also people contacting me through social media if I could send them a copy of the lyrics to some of my songs. I thought it was cool that they wanted to read what I was singing about. I understood why they wanted to read the lyrics separately as it is something I have often done myself. Going back to Bowie and The Beatles. I would often sit and try and figure out the meaning or sub text to what was written. I found it was not always so easy to really get to the real essence of a song from listening to the records although getting to understand the lyrics certainly made the experience of listening a lot more enjoyable.

It was a real pleasure for me putting this book together. I hope you enjoy the lyrics and the music.
