She couldn't get him out of her mind--and that's when the trouble started.

FBI Special Agent Alana Matheson is good at her job, despite a past that would make even a seasoned agent cringe. She has no time for the outside help the victims' family has brought in on a kidnapping case, no matter how good looking he is.

But galactic tracker Gabriel Cruz is no ordinary private investigator, and the skills he brings to the job will save both their lives. Because Lana and Gabriel are not the only ones seeking an unusual little boy and his mother. Their rivals in the chase are not of this world, and only an alliance built on the bonds of love can ensure that Lana and Gabriel beat the alien hunters to their prey.

A Golden Heart Finalist, TROUBLE IN MIND is the page-turning sequel to Donna S. Frelick's debut, UNCHAINED MEMORY.
