Northouse, Leadership: Theory and Practice, Fifth Edition

Adopted at more than 800 colleges and universities worldwide, the market-leading text owes its success to the unique way in which it combines an academically robust account of the major theories and models of leadership with an accessible style and practical exercises that help students apply what they learn. Each chapter follows a consistent format, allowing students to easily contrast the various theories, and three case studies in each chapter provide practical examples of each theory or trait discussed.

Northouse, Introduction to Leadership: Concepts and Practice, Second Edition

Providing practical strategies for becoming a better leader, this bestselling book includes interactive elements to help students apply leadership concepts to their own lives.
